A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works] **where the tangible personal property is received by the purchaser.**

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter

The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the city clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law shall be effective in the added territory or abolished in the detached territory on the first day of the second calendar quarter after the director of revenue receives notice of the boundary change.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of (county's name) impose a countywide sales tax of (insert amount) for the purpose of providing law enforcement services for the county?

Yes No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No"; or

(2) If the proposal submitted involves authorization to enter into agreements to form a regional jail district and obligates the county to make payments from the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of (county's name) be authorized to enter into agreements for the purpose of forming a regional jail district and obligating the county to impose a countywide sales tax of (insert amount) to fund dollars of the costs to construct a regional jail and to fund the costs to operate a regional jail, with any funds in excess of that necessary to construct and operate such jail to be used for law enforcement purposes?

Yes No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. If the constitutionally required percentage of the voters voting thereon are in favor of the proposal submitted pursuant to subdivision (2) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter [immediately following the election approving the proposal] **after the director receives notification of adoption of the local sales tax.** If a proposal receives less than the required majority, then the governing body of the county shall have no power to impose the sales tax herein authorized unless and until the governing body of the county shall again have submitted another proposal to authorize the governing body of the county to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a county from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for providing law enforcement services for such county for so long as the tax shall remain in effect. Revenue placed in the special trust fund may also be utilized for capital improvement projects for law enforcement facilities and for the payment of any interest and principal on bonds issued for said capital improvement projects.

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for providing law enforcement services for the county. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other county funds.

The moneys in the county law enforcement sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust and which was collected in each county imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county

and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county law enforcement sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county. Expenditures may be made from the fund for any law enforcement functions authorized in the ordinance or order adopted by the governing body submitting the law enforcement tax to the voters.

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under this section.

4. The governing body of any third class county which adjoins the Mississippi River and which also adjoins one or more first class counties without a charter form of government and which has a population of not more than sixteen thousand inhabitants according to the 1980 decennial census may, by a majority vote, impose:

The tourism tax may be imposed at a rate of not more than two percent on the receipts from the sale or rental at retail of certain tangible personal property or taxable services as provided in this subsection within that part of the county for which such tax has been adopted.

The sum of sales taxes imposed by a city under the authority of section 94.577 and this section shall not exceed one-half of one percent. The ordinance shall become effective after the governing body of the city submits to the voters of that city a proposal to authorize the tax. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

2. To qualify for the exemption prescribed in subsection 1 of this section, the common carrier shall furnish to the seller a certificate in writing to the effect that an exemption pursuant to this section is applicable to the aviation jet fuel so purchased, stored, used and consumed. The director of revenue shall permit any such common carrier to enter into a direct-pay agreement with the department of revenue, pursuant to which such common carrier may pay directly to the department of revenue any applicable sales and use taxes on such aviation jet fuel up to the maximum aggregate amount of one million five hundred thousand dollars in each calendar year. The director of revenue shall adopt appropriate rules and regulations to implement the provisions of this section, and to permit appropriate claims for refunds of any excess sales and use taxes collected in calendar year 1993 or any subsequent year with respect to any such common carrier and aviation jet fuel.

3. The provisions of this section shall apply to all purchases and deliveries of aviation jet fuel from and after May 10, 1993.

4. All sales and use tax revenues upon aviation jet fuel received pursuant to this chapter, less the amounts specifically designated pursuant to the constitution or pursuant to section 144.701, for other purposes, shall be deposited to the credit of the aviation trust fund established pursuant to section 305.230, RSMo; provided however, the amount of such state sales and use tax revenues deposited to the credit of such aviation trust fund shall not exceed six million dollars in each calendar year.

5. The provisions of this section and section 144.807 shall expire on December 31, [2008] **2005**.

238.235. 1. (1) Any transportation development district may by resolution impose a transportation development district sales tax on all retail sales made in such transportation development district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525, RSMo, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors [nor to all sales of electricity or electrical current, water and gas, natural or artificial, nor to sales of service to telephone subscribers, either local or long distance]. Such transportation development district sales tax may be imposed for any transportation development purpose designated by the transportation development district in its ballot of submission to its qualified voters, except that no resolution enacted pursuant to the authority granted by this section shall be effective unless:

(a) The board of directors of the transportation development district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an

existing tax pursuant to the provisions of this section; or

(b) The voters approved the question certified by the petition filed pursuant to subsection 5 of section 238.207.

(2) If the transportation district submits to the qualified voters of the transportation development district a proposal to authorize the board of directors of the transportation development district to impose or increase the levy of an existing tax pursuant to the provisions of paragraph (a) of subdivision (1) of this subsection, the ballot of submission shall contain, but need not be limited to, the following language:

Shall the transportation development district of (transportation development district's name) impose a transportation development district-wide sales tax at the rate of (insert amount) for a period of (insert number) years from the date on which such tax is first imposed for the purpose of (insert transportation development purpose)?

YES NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) [The sales tax authorized by this section shall become effective on the first day of the month following adoption of the tax by the qualified voters.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation development district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285, RSMo.

(6)] All revenue received by a transportation development district from the tax authorized by this section which has been designated for a certain transportation development purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. Upon the expiration of the period of years approved by the qualified voters pursuant to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be used solely for such designated transportation development purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other transportation development district funds.

[(7)] (4) The sales tax may be imposed in increments of one-eighth of one percent, up to a maximum of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the transportation development district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525, RSMo, except such transportation development district sales tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to public utilities. Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, RSMo, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. [On and after the effective date of any tax imposed pursuant to this section, the transportation development district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the transportation development district.

4. (1) All applicable provisions contained in sections 144.010 to 144.525, RSMo, governing the state sales tax, sections 32.085 and 32.087, RSMo, and section 32.057, RSMo, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525, RSMo, are hereby made applicable

to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525, RSMo, for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057, RSMo, and sections 144.010 to 144.525, RSMo, for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

5.] All sales taxes collected by the transportation development district shall be deposited by the transportation development district in a special fund to be expended for the purposes authorized in this section. The transportation development district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

[6.] 4. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if

such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

5. All transportation development district sales taxes collected by the director of revenue under section 238.235 on behalf of any transportation development district, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited with the state treasurer in a transportation development district sales tax trust fund. The moneys in such transportation development sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in each transportation development district imposing a transportation development district sales tax, and the records shall be open to the inspection of officers of the district and to the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month by distributing to the district treasurer, or such other officer as may be designated by the transportation development district ordinance or order, of each district imposing the tax authorized by section 238.235, the sum due the district as certified by the director of revenue.

6. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any transportation development district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the transportation development district shall notify the director of the department of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of the department of revenue may order retention in the trust fund, for a period of one

year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such transportation development district, the director of the department of revenue shall authorize the state treasurer to remit the balance in the account to the transportation development district and close the account of that county. The director of the department of revenue shall notify each transportation development district of each instance of any amount refunded or any check redeemed from receipts due the district.

7. Except as modified in section 238.235, all provisions of sections 32.085 and 32.087, RSMo, shall apply to the tax imposed under section 238.235.

238.410. 1. Any county transit authority established pursuant to section 238.400 may impose a sales tax of up to one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525, RSMo. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed under the provisions of this section shall be effective unless the governing body of the county, on behalf of the transit authority, submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the transit authority to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the Transit Authority impose a countywide sales tax of (insert amount) in order to provide revenues for the operation of transportation facilities operated by the transit authority?

Yes

No

If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed to the question, place an "X" in the box opposite "No".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall become effective on the first day of the second calendar quarter following notification to the department of revenue of adoption of the tax. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the transit authority shall have no power to impose the sales tax authorized by this section unless and until another proposal to authorize the transit authority to impose the sales tax authorized by this section has been submitted and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by the transit authority from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely by the transit authority for construction, purchase, lease, maintenance and operation of

transportation facilities located within the county for so long as the tax shall remain in effect. Any funds in such special trust fund which are not needed for current expenditures may be invested by the transit authority in accordance with applicable laws relating to the investment of county funds.

4. No transit authority imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment is submitted to and approved by the voters of the county in the same manner as provided in subsection 1 of this section for approval of such tax. Whenever the governing body of any county in which a sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the registered voters of such county voting in the last gubernatorial election, calling for an election to repeal such sales tax, the governing body shall submit to the voters of such county a proposal to repeal the sales tax imposed under the provisions of this section. If a majority of the votes cast on the proposal by the registered voters voting thereon are in favor of the proposal to repeal the sales tax, then such sales tax is repealed. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal the sales tax, then such sales tax shall remain in effect.

5. The sales tax imposed under the provisions of this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, RSMo, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate approved pursuant to this section. The amount reported and returned to the director of revenue by the seller shall be computed on the basis of the combined rate of the tax imposed by sections 144.010 to 144.525, RSMo, and the tax imposed by this section, plus any amounts imposed under other provisions of law.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285, RSMo, shall apply to all taxable transactions.

7. All applicable provisions contained in sections 144.010 to 144.525, RSMo, governing the state sales tax and section 32.057, RSMo, the uniform confidentiality provision, shall

apply to the collection of the tax imposed by this section, except as modified in this section. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, RSMo, are hereby made applicable to the imposition and collection of the tax imposed by this section. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525, RSMo, for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by this section. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under chapter 144, RSMo, are hereby allowed and made applicable to any taxes collected under the provisions of this section. The penalties provided in section 32.057, RSMo, and sections 144.010 to 144.525, RSMo, for a violation of those sections are hereby made applicable to violations of this section.

8. [For the purposes of a sales tax imposed pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer, except for tangible personal property sold which is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination and except for the sale of motor vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this section. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which he works.

9.] All sales taxes collected by the director of revenue under this section on behalf of any transit authority, less one percent cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in this section, shall be deposited in the state treasury in a special trust fund, which is hereby created, to be known as the "County Transit Authority Sales Tax Trust Fund". The moneys in the county transit authority sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each transit authority imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the transit authority which levied the tax.

[10.] **9.** The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any transit authority for erroneous payments and overpayments made, and may authorize the state treasurer to redeem dishonored checks and drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax, the transit authority shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such transit authority, the director of revenue shall authorize the state treasurer to remit the balance in the account to the transit authority and close the account of that transit authority. The director of revenue shall notify each transit authority of each instance of any amount refunded or any check redeemed from receipts due the transit authority. The director of revenue shall annually report on his management of the trust fund and administration of the sales taxes authorized by this section. He shall provide each transit authority imposing the tax authorized by this section with a detailed accounting of the source of all funds received by him for the transit authority.

[11.] **10.** The director of revenue and any of his deputies, assistants and employees, who shall have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of this section shall enter a surety bond or bonds payable to any and all transit authorities in whose behalf such funds have been collected under this section in the amount of one hundred thousand dollars; but the director of revenue may enter into a blanket bond or bonds covering himself and all such deputies, assistants and employees. The cost of the premium or premiums for the surety bond or bonds shall be paid by the director of revenue from the share of the collection retained by the director of revenue for the benefit of the state.

[12.] **11.** Sales taxes imposed pursuant to this section and use taxes on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a county where a sales tax is imposed under this section. The amounts so collected, less the one percent collection cost, shall be deposited in the county transit authority sales tax trust fund. The purchase or sale of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address of the applicant. As used in this subsection, the term "boat" shall only include motorboats and vessels as the terms "motorboat" and "vessel" are defined in section 306.010, RSMo.

[13.] **12.** In any county where the transit authority sales tax has been imposed, if any person is delinquent in the payment of the amount required to be paid by him under this section or in the event a determination has been made against him for taxes and penalty under this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525, RSMo. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under this section, the director of revenue shall notify the transit authority to which delinquent taxes are due under this section by United States registered mail or certified mail at least ten days before turning the case over to the attorney general. The transit authority, acting through its attorney, may join in such suit as a party plaintiff to seek a judgment for the delinquent taxes and penalty due such transit authority. In the event any person fails or refuses to pay the amount of any sales tax due under this section, the director of revenue shall promptly notify the transit authority to which the tax would be due so that appropriate action may be taken by the transit authority.

[14.] **13.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by this section, the director of revenue shall permit the transit authority to join in any sale of property to pay the delinquent taxes and penalties due the state and to the transit authority under this section. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such transit authority under this section.

[15. The transit authority created under the provisions of sections 238.400 to 238.412 shall notify any and all affected businesses of the change in tax rate caused by the imposition of the tax authorized by sections 238.400 to 238.412.]

14. Except as modified in sections 238.400 to 238.412, all provisions of sections 32.087, RSMo, shall apply to the tax imposed pursuant to sections 238.410 to 238.412.

[144.046. In addition to the exemptions granted under the provisions of section 144.030, there is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and sections 144.600 to 144.748 and from the computation of the tax levied, assessed or payable under sections 144.010 to 144.525 and sections 144.600 to 144.748, the sale at retail of separately measured electrical current to manufacturers of batteries in this state for conversion to stored chemical energy in new lead-acid storage batteries solely for the purpose of providing an initial charge in such batteries during the manufacturing process but not for the purpose of recharging any previously manufactured batteries. The sale at retail of such separately measured electrical

current described in this section shall not be exempted from any local sales tax imposed under a local sales tax law, as defined in section 32.085, RSMo.]

[144.517. In addition to the exemptions granted pursuant to section 144.030, there shall also be exempted from state sales and use taxes all sales of textbooks, as defined by section 170.051, RSMo, when such textbook is purchased by a student who possesses proof of current enrollment at any Missouri public or private university, college or other postsecondary institution of higher learning offering a course of study leading to a degree in the liberal arts, humanities or sciences or in a professional, vocational or technical field, provided that the books which are exempt from state sales tax are those required or recommended for a class. Upon request the institution or department must provide at least one list of textbooks to the bookstore each semester. Alternately, the student may provide to the bookstore a list from the instructor, department or institution of his or her required or recommended textbooks. This exemption shall not apply to any locally imposed sales or use tax.]
